RE: Reference for Cherry Gregory

To Whom It May Concern,

I am writing this letter as a reference for Cherry Gregory. I have worked with Cherry for the past 10 months at Xerox Business Services in her role as an Assistant Security Supervisor for G4S Security Group. Cherry has always been very professional and hard working. Cherry has exemplified leadership skills in her ability to handle chaotic moments on the job dealing with injured employees, angry employees, and the day to day issues that may arise. Cherry has demonstrated her ability to plan and organize the work flow within her department. Cherry is also very good at dealing with technology issues and is not afraid to jump in and analyze technical problems and figure out the solutions to them. I believe that Cherry would be an excellent employee for any organization.

Sincerely,
